The Woodlands Award Program Honors the Achievement

THE WOODLANDS May 5, 2023 -- Greenfields Petroleum Corporation has been selected for the ninth year in a row for the 2023 Best of The Woodlands Award in the Oil & Gas Exploitation & Development category by The Woodlands Award Program.

Each year, The Woodlands Award Program identifies companies that we believe have achieved exceptional marketing success in their local community and business category. These local companies enhance small businesses' positive image through service to their customers and our community. These exceptional companies help make The Woodlands area a great place to live, work and play.

Various sources of information were gathered and analyzed to choose the winners in each category. The 2023 The Woodlands Award Program focuses on quality, not quantity. Winners are determined based on the information gathered both internally by The Woodlands Award Program and data provided by third parties.

The Woodlands Award Program is an annual awards program honoring the achievements and accomplishments of local businesses throughout The Woodlands area. Recognition is given to those companies that have shown the ability to use their best practices and implemented programs to generate competitive advantages and long-term value.

The Woodlands Award Program was established to recognize the best of local businesses in our community. Our organization works exclusively with local business owners, trade groups, professional associations, and other business advertising and marketing groups. We aim to recognize the small business community's contributions to the U.S. economy.
